ON THE ROCKS

The On the Rocks (OTR) Team Challenge will consist of 10 teams of 10 PGA Professionals competing together throughout the season vying to become the OTR Team Challenge champions. 10 PGA Professionals will be designated as team captains and will draft 9 additional players to their team.

Every Nebraska PGA event will be included in the OTR Team Challenge and individual points earned at those events will go towards the team totals.

At the end of the season, the team with the most points will be crowned champions and invited to celebrate at Southern Glazer's Wine and Spirits of Nebraska. The top three teams will receive a cash payout and every member on the team will receive the same amount, meaning no matter how many events played or skill level anybody could win.

DRAFT OVERVIEW

At the Nebraska PGA Spring Meeting, the first two rounds of the draft will take place in front of the attendees. The order of the draft picks will be decided by the "Power Rankings" of the captains. Lowest ranked captain will have the first pick. The first selected team captain will have the first pick, the second team captain selected will have the second pick and so on. Rounds 2 through 9 will have a "snake style" draft meaning first selected captain will get the 1st, 20th, 21st, 40th, 41st, 60th, 61st, 80th, and 81st and overall pick. The second selected captain will get the 2nd, 19th, 22nd, 39th, 42nd, 59th, 62nd, 79th, and 82nd overall pick. Rounds three through nine will take place at an agreed upon time and place before the Players Club Pro/Pro/Pro on April 17th.
