ON THE ROCKS TEAM CHALLENGE SCORING

Since every event on the Nebraska PGA tournament schedule counts towards the On the Rocks Team Challenge but not every event has points awarded, a custom points list will be created.

For Professional team events (Players Club Pro/Pro/Pro, Legends of Golf, Omaha CC Pro/Pro-Scratch/Scratch (pro potion only), Pro-Assistant, Senior-Junior, Team Championship, River Wilds Pro-Pro, & Cup Series Championship), each individual is awarded the points below based on how the team finished. If both team members are on the same OTR Team Challenge Team, they each get individual points to add to the team total. For example, player A and player B are on Team Old Fashioned and they team up for the Pro-Assistant and win. Player A gets 55 points and player B gets 55 points for a total of 110 points going to the overall total. For the Pro-Assistant Championship, only the Professional's highest finish will be awarded points, NOT each finish in the event since a Professional can be on multiple teams.
